Recyclables

- **PLASTICS:** Put all plastic containers featuring a number surrounded by a triangle in the blue bin, **EXCEPT n.° 6 plastics.** N° 6 plastics **cannot be recycled** and must be disposed of in the black bin.
- If you have questions on recyclables, you may contact the Régie de récupération de l'Estrie at 819-346-2111 or consult their website at recupestrie.com (in French only)

Ressourcerie des Frontières (residential pick-up service for large household items)

The Good Riddance! Guide

- All household items, large and small, are accepted regardless of their state or working condition. However, please note that unsanitary items will be refused.
- To schedule a pick-up, please call the Ressourcerie, toll-free, at 1-855-804-1018
- Additional information (in French only) available on the Ressourcerie's website at www.ressourceriedesfrontieres.com

Coaticook Ecocentre

- The municipality has an agreement with the Régie intermunicipale de gestion des déchets solides de la région de Coaticook.
- The ecocentre may impose fees according to the type of waste.
- Fees may be levied for items which are accepted free of charge by the Ressourcerie. It is up to the citizen to verify with these agencies.
- Additional information (in French only) on the accepted items, the fees and the functioning of the ecocentre, please consult the RIGDSC website at <http://www.enfouiss>
